

SYSTEM OVERVIEW OF MIG/MAG AUTOMATION

External operating panel
PHOENIX RC1 / RC2

MIG/MAG welding power source
PHOENIX 322 RC coldArc
PHOENIX 522 RC coldArc
PHOENIX 422 RC Puls forceArc
PHOENIX 522 RC Puls forceArc

Cooling unit
COOL 82 U44
COOL 82 U45

Optionally stackable

Transport vehicle
TROLLY 70-2 ROB

Drive unit
FW2

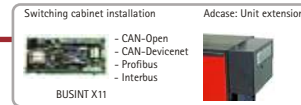

Transport and stationary rack
PALETTE 70 ROB

Automation interface

Industrial bus interface

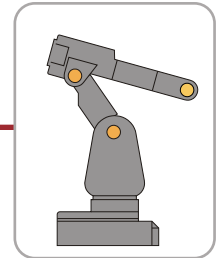

Wire feed

MIG/MAG welding torches

Robot

Welding data monitoring and documentation

Welding parameter creation and management

Welding data documentation
